

**New York City
Pedicab Owners'
Association**

A 501(c)6 trade association

NYCPOA MEMBERSHIP FORM for 2010

NEW: The New York City Pedicab Owners' Association has established a reduced membership rate for 2010 to spur participation and help our community members during these tough economic times. 2010 Rates are: \$50 for an individual with one pedicab operating. Those members (individuals or operating as companies) with additional currently active pedicabs add \$20 per pedicab. Contingent upon this lower rate structure is an expectation of greater member participation this year. However, there is the option to make an additional financial contribution if you decide you are unable to contribute time to address a concern of yours within our committee structure. We look forward to seeing you at an upcoming meeting.

Note: if you choose to contribute service/time to a committee, every effort will be made to match you with a committee that addresses your stated concerns. You may indicate more than one committee, ranking in descending order (most preferred first), but please limit it to no more than three. If you contribute to three committees, you will be a pedicab hero!

Please check one:

- I will contribute my time to a committee to address one of the above issues if asked
- I will contribute \$25.00 instead of service on a committee

**** The NYCPOA is a 501(c)6 not for profit trade association. Dues or contributions are not tax deductible except as a business expense.**
